Secretary's Message

Beloved friends,

MGRCB is a beacon of hope in the area of Community Based Rehabilitation in Trivandrum city. The various programs implemented in the last 40 plus years, implemented through collaboration with various individuals and companies, have made a difference in the lives of many. In the future, we need to diversify and seep deep into more beneficiaries; following the words and deeds of our lord Jesus Christ. I appeal for your wholehearted support, not just monetarily, but physically in the activities of the Cente.
