## Vice President's Message

Dear Members and Well-wishers,

MGRCB is called to be more than an organization — we are a movement of love, service, and hope. Let us work together for the benefit of others, following the example of Jesus Christ, the “Man for Others.” Christ came to bring light into a dark world. Today, that same light must shine through us — through our words, our actions, and our compassion. Every small act of kindness and every effort to uplift another become a reflection of Christ’s love. Let us spread the light of Christ by serving selflessly, standing together, and becoming instruments of hope wherever we are. Together, may MGRCB continue to touch lives and glorify God through service. May our unity become our strength, and our service our witness to the world. Let us move forward with faith, love, and commitment to build a brighter future for all.

With love and prayers,

**Fr. Dr. Vivek Varghese**

About 80 persons made use of the camp. About 10% were referred for detailed investigations.
